

ECI XVI EUROPEAN CONGRESS OF ICHTHYOLOGY

First Announcement

Dear colleagues,

We invite you to attend the XVI European Congress of Ichthyology, to be held in Lausanne, Switzerland on **2-6 September 2019**. The scientific program will include sessions and symposia on taxonomy, phylogeny, anatomy, ecology, conservation, ethology, life history and other aspects of fish biology. Participants are encouraged to make oral and/or poster presentations. Ichthyologists wishing to organize a symposium on a specific topic are encouraged to contact the organizers.

ORGANIZED BY: **European Ichthyological Society**

BOARD: Dr. Ivana Buj (president), University of Zagreb, Croatia
Dr. Jörg Bohlen, Institute of Animal Physiology and Genetics, Czech Republic
Dr. Alberto Teodorico Correia, University of Porto, Portugal
Dr. Maurice Kottelat, Delémont, Switzerland
Dr. Lukas Kalous, Czech University of Life Sciences, Prague, Czech Republic
Dr. Lukas Rüber, Natural History Museum, Bern, Switzerland

HEAD OF THE ORGANIZING COMMITTEE: Dr. Maurice Kottelat

LOCAL ORGANIZING COMMITTEE will be announced soon.

WEB SITE: <http://ichthyology.eu/congresses/actual-congresses/>

CONTACT: ivana.buj@biol.pmf.hr (for administrative issues, registration etc.),
mkottelat@dplanet.ch (for technical and local issues, etc.)

CONFERENCE VENUE: All conference activities will be held at the Aquatis Hotel and in the facilities of the Aquatis Aquarium, both situated in Lausanne, Switzerland. Aquatis Aquarium is the largest freshwater aquarium and vivarium in Europe. Lausanne is situated on the shore of Lake Geneva and is recognized as the home of the international sport, hosting the International Olympic Committee, but, in September 2019, it will be the meeting point of European and world ichthyologists.
