The XVI European Congress of Ichthyology (ECI XVI) will be held in Lausanne, Switzerland on 2-6 September 2019 (with the post-congress tour on 7 September 2019). Ichthyologists are invited to present their research, knowledge and ideas in form of oral and/or poster presentations.

The **SCIENTIFIC PROGRAMME** will include the following theme sessions:

- A. Taxonomy, phylogeny and zoogeography
- B. Morphology, ontogeny and palaeontology
- C. Genetics, cytogenetics and physiology
- D. Ecology and life cycles
- E. Threats and conservation

Individuals wishing to organize a symposium on a specific topic are encouraged to send a short description to ivana.buj@biol.pmf.hr.

Please note that theme sessions may be changed depending on the number and content of registered presentations. The number of presentations is limited to 2 oral presentations and a total of 3 presentations per participant. The final programme will be published on the Congress website in July 2019, and will be forwarded to all registered participants.

Electronic abstract submission will be opened at the congress web site (<http://ecixvi.wixsite.com/ecixvi>) on 1 March 2019. Deadline for submitting abstracts is 15 May 2019.
